***Assumption of the Risk and Waiver of Liability  
Relating to Coronavirus/COVID-19***

Camp Spalding has put in place numerous preventative measures and enhanced cleaning protocols to reduce the likelihood of spreading COVID-19 at Camp Spalding. However, Camp Spalding cannot guarantee that you or your child will not become infected with COVID-19. Further, attending a Camp Spalding summer camp session could increase your child's risk of contracting COVID-19.

By signing the agreement, I acknowledge the contagious nature of COVID-19 and voluntarily agree to the participation terms and 15 items initialed by me presented in the Health Protocols listed above. I assume the risk that my child, myself, and other family members may be exposed to or infected by COVID-19 by attending any camps and activities at Camp Spalding, and that such exposure or infection may result in personal injury, illness, permanent disability or death.

I understand that the risk of becoming exposed to or infected by COVID-19 at Camp Spalding may result from actions, omissions, or negligence of myself, my child and others, including, but not limited to, Camp Spalding employees, volunteers, other campers and their families. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injuries to my child, myself, and other family members (including, but not limited to, personal injury, disability or death), illnesses, damages, losses, claims, liability, costs or expenses, of any kind (collectively, "Claims"), that I, my child and our family may experience or incur in connection with my child's attendance at Camp Spalding summer camps and programs.

On my behalf, and on behalf of my child, I hereby release, covenant not to sue, discharge, and hold harmless Camp Spalding, its employees, volunteers, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto.

I understand and agree that this release includes any Claims based on the actions, omissions or negligence of Camp Spalding, its employees, volunteers, agents, and representatives, whether a COVID-19 infection occurs before, during or after participation in a Camp Spalding summer camp program.
